INTRODUCTION

The International Association of Aesthetic Gynaecology and Sexual Wellbeing (IAAGSW) will be hosting its second International Congress in London on 12th, 13th and 14th October 2018.

Agenda

Following last years' inaugural success, this event promises to offer another unmissable agenda, a panel of expert speakers in their fields and exhibitors showcasing the latest groundbreaking technolo-

We will be showcasing the most up to date treatments available in the sphere of Aesthetic Gynaecology and Sexual Wellbeing. The level of talent at IAAGSW is astonishing
Dr Sherif el Wakil
IAAGSW President

gies on the market today.

The IAAGSW 2018 programme is now available and will cover aesthetic gynaecology, male sexual rejuvenation, bio identical hormones, regenerative medicine and many of the latest techniques and advancements in this growing field. Lecture highlights include: *The latest in growth factors in aesthetic gynaecology and purposing*, Dr Ahmed Al-Qahtani; *Surgical and non-surgical vaginal tightening*, Dr Ahmed Ismael

; *First hybrid laser in vaginal tightening, SUI and vaginal atrophy*, Dr Jack Pardo.

Live demonstrations

This year's congress will also be featuring exclusive live demonstrations throughout the main lecture programme and Advanced Masterclass which takes place on the Sunday October 14th.

SPEAKER HIGHLIGHTS

DR AHMED AL-QAHTANI

UNITED STATES/UNITED ARAB EMIRATES

Dr Al-Qahtani is an assistant professor at the College of Medicine and Health Sciences in the UAE University, and is an NIH scientist for many grants for research and development. He is the author of Real World Skin Solutions, *The Science of Modern Skincare* and the president and founder of AQ Skin Solutions Inc.

DR AHMED ISMAIL

UNITED KINGDOM

Dr Ahmed Ismail is one of the world's most well-respected gynaecology and fertility consultants. He is the director and proprietor of Queensway Gynecology Clinic, Harley Street. His specialities include sexual health, family planning, IVF, and vaginal plastic surgery, reconstruction and rejuvenation.

DR SHERIF EL WAKIL

UNITED KINGDOM

Dr Wakil has introduced a number of new treatments to the UK, including the P-Shot, the O-Shot, Vampire Breast lift, and Vampire Facelift, as well as being a pioneer of the soft surgery approach. He runs the Dr SW Skin Clinic in Harley Street and has performed more than 19,000 procedures to date.

DR JACK PARDO

CHILE

Having graduated with the highest honours at the Medical School of Universidad de Chile, Dr Jack Pardo has his own private practice and is leading the gynaecology unit at Clinica MEDS in Santiago. He has written or co-written more than 50 papers in both Chilean and international journals.

VENUE LOCATION

The Royal Society of Medicine is one of the country's major providers of postgraduate medical education. Independent and apolitical, the Society provides a neutral platform for informed debate about important, often controversial, healthcare topics. IAAGSW is happy to once again call the Royal Society of Medicine home.
